

# Campbells Cove Promenade Works

**Address:** The Rocks, Sydney

**Value:** \$3.1 million

## Overview

Campbells Cove Promenade is a paved open space which provides pedestrian access from The Rocks around Sydney Harbour to Hickson Road and George Street North. It is part of the waterfront area that links land-based activities along the edge of the harbour including Walsh Bay, The Rocks and the Overseas Passenger Terminal (OPT).

To provide an integrated public domain outcome, works consisted of the demolition of the existing roadway at the northern end of the OPT, lowering the roadway level and roundabout, construction of new paving to provide safe access for pedestrians as well as level access for vehicles accessing the OPT.

## Challenges

- Tight programme.
- OPT remaining operational as well as bars and restaurants remaining open.
- Liaising with and coordinating numerous stakeholders.

- Managing an increased security threat during construction
- Sharing the space with contractors on adjoining sites.

## Services

TPS acted as the Landlord's Representative for the Port Authority of NSW, monitoring time, cost and quality of the works and carried out significant stakeholder management.

## Highlights

- Providing an enhanced world class domain.
- Meeting project targets and ensuring works finished prior to the cruise season commencing.
- Cooperation and collaboration with project team members exceeding expectations.
- Creating safe, functional access routes as well as delivering an aesthetically pleasing public space.
